Temporary access has been provided for you to all of the content on the ADA Evidence Analysis Library® for 3 weeks: **Feb 14- Mar 5** 2011.

Below are instructions on how to register and sign-in to this online resource.

You will be given full access to all of the content of the online ADA Evidence Analysis Library® after first registering with a special authorization code.

Register:

- Go to www.adaeal.com
- Click on the words “sign-in” on the left hand side of the page
- On the next screen, click on “Register”
 - Fill in the prompted information: first name, last name, email address, state
 - **Select a username and password (remember these items)**
 - Enter the authorization code: EAL1230 (case-sensitive, all caps)
 - After entering the authorization code, click on “Register”

Sign-in:

After registering, you will be able to access the content of the EAL for the next 3 weeks.

- Go to www.adaeal.com
- Enter the username and password you selected when you registered
- Click on “sign in”

Using the ADA Evidence Analysis Library

Ways to locate a particular topic on the EAL:

- Enter the topic in the Search function in the top right hand corner
- Use the A-Z Index (tab at top of page)

Answers to Frequently Asked Questions can be found by clicking on **Help**.

New users are encouraged to view the *EAL Tutorial* – the link is on the home page.
