

Dear Colleagues,

I am delighted to finally be able to inform you that the EFAD web site EXTRANET is now open!

Please inform all members of your organisation that they are invited to register to use this part of the EFAD web site.

To promote the EXTRANET you might wish to use the following text:

All EU dietitians are invited to join the free EFAD Extranet to access information about:

- EFAD Reports,
- Dietetic Education and Training Standards,
- Registration of Dietitians in Europe,
- Schools of Dietetics,
- EU Policy & Advocacy on food, nutrition and dietetics,
- Diary Dates,
- Links to EU organisations

To keep up to date with what is happening in EU dietetics register to use the EXTRANET today on [www.efad.org](http://www.efad.org)

We hope that the EXTRANET will help us to promote the work of EFAD widely within Europe. Please help us by informing as many people as you can about it.

If you have any ideas to improve the extranet please also let me know.

Regards

Judith Liddell

EFAD Secretary General

DIETS Network Manager
